

Support EXCELLENCE IN JOURNALISM!

Please join those who support the record of excellence and achievement in journalism by one of the most significant trailblazers in the history of Florida Agricultural and Mechanical University (FAMU) and the Black Press!

Cheryl Smith, a 1980 graduate of FAMU, will be honored by the university with the unveiling of her portrait on the Thelma T. Gorham Distinguished Alumni Wall in the School of Journalism and Graphic Communication.

Your tax-deductible donation will establish a fund in Cheryl's name to provide scholarships, fellowships, grants, programs and internships for deserving college students.
